Get your preferred product in your favourite colour!

Taubmans colour tinting system allows you to access a wide range of over 2000 colours in your favourite product range.

Our Premium interior paints are now 'Truly odour free'

Easycoat Semi Gloss

- Has high durability (last longer)
- Ideal for heavy traffic areas and also suitable for wet areas such as bathrooms, kitchens and laundries where added moisture is necessary.

Easycoat Flat

- Ideal for hiding minor surface infections and is used to paint ceilings.

Easycoat Low Sheen

- Washable subdue finish that is ideal for heavy traffic areas, like bedroom, living rooms, family rooms and bathrooms.

Easycoat Doors & Trims Gloss Enamel

- Formulated for easy brushing, resists abrasions and knocks ideal for doors, architraves and trims. It gives it a gloss look.

A premium quality interior and exterior enamel providing a hard mirror like finish. Exceptional leveling and easy to apply.

Surface preparation

Seals porous surfaces

Helps top coat adhere better

Protect against corrosion for metal surfaces

for treatment of fungus/algae

Treat the mold with 1 part household bleach (hydrochloric) and 3 parts water.

Allow it to remain on the surface for at least 15 minutes, and reapply if necessary.

Use a scourer or stiff bristle brush for stubborn areas.

Rinse the area thoroughly with clean water

Always wear gloves and eye protection

HELP AT EVERY STEP

Visualise your colour

Download our free **Visualizer** app that lets you see your room live in any colour before you paint it! Have fun trying hundreds of shades in real time by virtually painting your walls with a tap of a screen, find colour schemes to complete your look, or even pick a colour from your existing furnishings or favourite objects. Once you're happy with your virtual scheme, share your vision with family and friends directly from the app.
